<https://www.msb.qld.edu.au/wp-content/uploads/2020/10/careerdecisions.pdf>

The Queensland Curriculum and Assessment Authority oversees the awarding of the QCE and they have a brochure that explains how it works and how you set up your pathway and pattern of study. You can access this brochure https://www.qcaa.qld.edu.au/downloads/senior/qce_planning_pathway_students.pdf

Your QCE pathway is the combination of subjects and courses you study to achieve your QCE. The subjects and courses you choose will also take you on a pathway to further education, training or work. My QCE: <https://myqce.qcaa.qld.edu.au/your-qce-pathway>

For students completing Year 12 from 2020. The QCE is Queensland's senior secondary schooling qualification. To be issued with a QCE, students need to complete the set amount of learning, at the set standard, in a set pattern, while meeting literacy and numeracy requirements.
