QCAA external assessment timetable 2023

[abridged by Saffron Belkessa-Wood]

The timetable has been designed to:

- minimise clashes for students across the examination period. Where there is a clash within a morning or afternoon session, students will be allocated to the alternative session on the same day
- ensure most students sit no more than two external assessments on one day
- provide sufficient breaks between external assessments for popular courses and frequently combined courses
- enable all external assessments to be marked in time for students to receive their final Year 12 results.

Please note all exams will be held in Mercy Hall¹
